

Mosman Parks & Bushland Association

Dear Members and Supporters

The Mosman Parks & Bushland Association's AGM will be held on 19 September at 6.30 pm in the Seniors' Room, Mosman Civic Centre, Mosman Square.

This year our topic of discussion will be WASTE, a problem that is more and more in the news and in the forefront of our minds. We shall hear about why we should be concerned, and about what is being done locally to confront the problem.

Loani Tierney, Mosman Council's Environment Officer with particular expertise in waste has agreed to talk to us about waste management in Mosman and give us ideas about what we can do at home.

Rachel Kernaghan is the Ecological Education Manager of Kimbriki's Eco House & Garden Team. Rachel delivers Kimbriki's Eco Workshops to local communities, not-for-profit organisations, community gardens and schools.

Rachel and Loani's presentations will complement each other, and we hope to be inspired by their solutions. We are also hoping to organise a visit to Kimbriki at a later date.
